

NAEYC Enrollment Form Addendum for International Programs

INTERNATIONAL PROGRAM REQUIREMENTS

Programs located on foreign soil and not affiliated with the United States Department of Defense schools and child development centers/programs may begin their pursuit of NAEYC accreditation by enrolling in Self-Study (Step 1). This Enrollment Form Addendum for International Programs must be completed and submitted along with the [Enrollment Form](#) in order to become enrolled in Self-Study. Answer the following questions to demonstrate that NAEYC Accreditation is applicable to your early childhood program.

Program ID#:

Is English the primary language for the program staff?

Yes No

Please provide a brief description of the community that the program serves:

Do the program staff members believe that the NAEYC Early Childhood Program Standards and Accreditation Criteria are authentically applicable to their learning environment?

Yes No

Is the program regulated by a regulatory body?

Yes No

If yes, please provide a brief description of the regulatory status:

Does the program serve a minimum of ten (10) children within the ages of birth through kindergarten?

Yes No

Is the Program center-based or school-based?

Yes No

My program has been in operation since:

Month: Year:

Signature

I acknowledge that additional fees will apply to accommodate the costs of implementing the NAEYC Accreditation process internationally.
