

Photograph Submission Form

Purpose

NAEYC is creating an online photo album featuring NAEYC-Accredited programs that display the NAEYC-Accredited Program Decal. Use this form to submit a photograph from your NAEYC-Accredited program.

Instructions

Review the photograph requirements and complete the information requested below.

Photograph Requirements

1. The photograph must include the NAEYC-Accredited Program Decal prominently displayed at the program location.

2. If the photograph includes adults or children, the photographer must have and keep model releases for all recognizable people in each photo (signed by all adults who appear in the photo and by the parents or legal guardians of all the children photographed). NAEYC may ask photographers to provide copies of the model releases.
3. Only high resolution images in JPEG, TIFF, EPS, or other standard formats will be accepted.
4. Images may be emailed to accreditation.information@naeyc.org or NAEYC accepts images on CD-ROM or DVD. NAEYC is unable to return digital submissions, so keep a copy of your images before sending your disk.
5. All images must be submitted with a completed, signed copy of this form.
