Web sites and organizations

- International Reading Association** serves educators who teach reading to learners of all ages. The Web site includes links to journals, Web resources, and special interest groups on a variety of topics concerning learning to read and to write. Focus on Beginning Readers serves teachers of young children. www.reading.org
- The Literacy Project**, with resources on children's writing for teachers, literacy organizations, and anyone interested in reading and education, is a collaboration between LitCam, Google, and UNESCO's Institute for Lifelong Learning. www.google.com/literacy
- Reading Is Fundamental (RIF)** offers a variety of programs and resources focused on assisting children in learning to read and write. Programs on this extensive Web site include community-based and family literacy programs, strategies and advice for educators and parents, and activities for children. www.rif.org
- Reading Rockets** offers information and activities to families, teachers, and other educators to help young children learn to read, including research-based Strategies to Help Kids Who Struggle, Techniques for Teaching Effectively, and resources about boosting reading comprehension. www.readingrockets.org
