 Thompson, S.D. (MAR) 17–23
 Todd, L. (NOV) 88–93
 Tracy, R. (JULY) 89–93
 Trudeau, K. (MAY) 101–04
 Velez, L. (MAY) 26–30
 Villa, J. (JAN) 96–100
 Wasik, B.A. (NOV) 70–78
 Wentworth, G. (JAN) 56–60
 West, R., Sr. (SEPT) 34–36
 Wetsel, J.C. (JULY) 72–73
 Wien, C.A. (JULY) 22–29
 Wilkinson, M. (MAR) 12–16
 Williams, K.C. (MAR) 75–82
 Williamson, S. (JULY) 40–44
 Young, D. (MAR) 24–26
 Zadina, K.M. (JULY) 75–76
 Zipkin, D. (SEPT) 77

By feature, column

Some regularly appearing features and columns in *Young Children* are listed simply by name and with issue date and page numbers.

- Advocates in Action:** (MAR) 61; (JULY) 72–73; (NOV) 62–63
Associate Degree Accreditation: (MAR) 53; (SEPT) 58–59
From Our President: (JAN) 6; (MAR) in Spanish and English (and in all subsequent issues) 6, 52; (MAY) 6, 76; (JULY) 6, 70; (SEPT) 4, 89; (NOV) 6, 8
Guidance Matters: (JAN) 105–06; (MAR) 88–89; (MAY) 92–93; (JULY) 108–09; (SEPT) 50–52; (NOV) 54–55
In Memoriam: Shirley M. Dean, Lucy Cheek Peterson, Elizabeth H. Brady (MAR) 59–60; Irving E. Sigel (MAY) 85; Emily Fenichel (SEPT) 62
NAEYC Accreditation: (JAN) 85; (MAR) 56–58; (MAY) 60–62; (JULY) 78–81; (SEPT) 66–67
New Books: (JAN) 109; (MAR) 96; (MAY) 96; (SEPT) 96; (NOV) 98
Observations and Reflections: (JAN) 83; (MAR) in Spanish and English (and in all subsequent issues) 48–49; (MAY) 64–65; (JULY) 71, 73; (SEPT) 64–65; (NOV) 66, 68
Of Primary Interest: (NOV) 58–60
Professional Development: (MAR) 53; (SEPT) 63
The Reading Chair: (JAN) 107–08; (MAR) 94–95; (MAY) 94–95; (JULY) 110–12; (SEPT) 56–57; (NOV) 56–57
Research in Review: (JULY) 46–52; (SEPT) 78–89
Rocking and Rolling—Supporting Infants, Toddlers, and Their Families: (SEPT) 53–55

By NAEYC Early Childhood Program Standard

This subject index is formatted to help readers identify resources related to the 10 new NAEYC Early Childhood Program Standards. To learn more about the standards, visit www.naeyc.org/accreditation/performance_criteria/program_standards.html.

1. Relationships

- Between teachers and children*
 - building through talk (SEPT) 50–52
 - consistency of, for infants' self-regulation (JULY) 34–39
 - in effective practice (NOV) 44–49
 - infancy demands (JULY) 14–20
 - with problem behavior (NOV) 36–42
 - race/culture stigmas (NOV) 79–86
 - unifying approach, infant/toddlers (JULY) 46–52
- Between teachers and families*
 - applying family systems theory (JAN) 12–20
 - in family child care (JULY) 40–44
 - family involvement story-books (NOV) 94–97
 - for home-school continuity (JAN) 22–27
 - in infant/toddler shared care (JAN) 29–33
 - in a reading group (JAN) 56–60
 - for social-emotional competencies (NOV) 30–32
 - supporting, academic achievement (SEPT) 18–25; infants/toddlers (SEPT) 53–55
 - supportive, engaging ways (JAN) 10–11
- Challenging behaviors*
 - biting (SEPT) 53–55; and oral development (MAR) 17–23
 - classroom conflict mediation (MAR) 88–89
 - and friendly humor (JULY) 108–09
 - in home-to-school transition (SEPT) 50–52
 - in same-age/multiage groups (MAY) 70–76
 - teacher practice framework (NOV) 30–32
 - techniques to try (JAN) 105–06
- Children making friends*
 - value of (JULY) 106–07
 - Wanna play? (NOV) 34–35
- Creating harmonious classrooms*
 - children helping children (JULY) 106–07
 - play-based approach (MAY) 86–90
 - through social skills (NOV) 22–28

for toddlers/preschoolers (MAY) 70–76

2. Curriculum

- Cognitive* (content areas marked with asterisks)
 - *arts/creative expression/appreciation**
 - blacktop painting (MAR) 83
 - great books, paperbacks (JULY) 110–12
 - music for children's minds (MAR) 62–67
 - storytelling (SEPT) 70–76; for school readiness (SEPT) 78–89
 - *early literacy**
 - books in Spanish (MAR) 90–93
 - children as photographers (JAN) 101–04
 - classic children's books (MAY) 94–95
 - as communication with migrant families (SEPT) 18–25
 - and diverse families (JAN) 42–48
 - family involvement story-books (NOV) 94–97
 - in France, lessons from (JULY) 94–100
 - good children's books (*see* The Reading Chair)
 - *early mathematics**
 - in kindergarten (SEPT) 3–41
 - logico-math thinking, cards play (JULY) 82–88; errata (SEPT) 89
 - and music immersion (MAR) 62–67
 - *health and safety**
 - The Cooking Book* (MAY) 50–52
 - oral motor development (MAR) 17–23
 - playground action, at home too (MAY) 34–36
 - preschool nutrition education (MAY) 20–24
 - *science**
 - environmental awareness (MAR) 28–34
 - investigation, four-step process (MAR) 36–41
 - *social studies**
 - books in Spanish (MAR) 90–93
 - class meetings (NOV) 54–55
 - cultural storytelling (SEPT) 78–89
 - multicultural (MAR) 75–82

- *technology**
 - kindergartners use PowerPoint (MAR) 24–28
- Developmental*
 - *language usage**
 - through class meetings (NOV) 54–55
 - increase, via multiage groups (MAY) 70–76
 - learning, a word at a time (NOV) 70–78
 - through music experience (MAR) 62–67
 - rich vocabularies, at-risk learners (SEPT) 90–95
 - story acting in kindergarten (SEPT) 70–76
 - storytelling, decontextualized talk (SEPT) 78–89
 - *physical**
 - fitness and strength building (MAY) 12–19
 - games, learning roles/skills/relationships (NOV) 34–35
 - movement and the brain (JULY) 39
 - needs of children with spina bifida (MAY) 78–84
 - oral motor development and biting (MAR) 17–23
 - play for toddlers (MAY) 32–34
 - *social-emotional**
 - cultural identity/respect (MAR) 75–82
 - empathy development, infants/toddlers (JULY) 22–29
 - issues from age segregation (MAY) 70–76
 - life lessons (SEPT) 70–76
 - security, child's view (NOV) 42
 - self-esteem and learning (NOV) 58–60
 - self-regulation (JULY) 34–39
 - skills to teach (NOV) 36–42
 - via unstructured play (NOV) 12
- Essential characteristics of*
 - in early childhood transitions (SEPT) 26–32
 - for healthy/active children (MAY) 64
 - for infants and toddlers (JULY) 12–13; 14–20
 - in mixed-age groupings (JULY) 40–44
- 3. Teaching**
 - Creating caring communities*
 - for a child with hearing loss (JAN) 86–95
 - climates of respect/empathy (MAR) 75–82
 - and a culture of caring (JULY) 22–29
 - curriculum of trust (NOV) 14–20
 - encouraging classrooms (NOV) 54–55

- including a child with spina bifida (MAY) 78–84
- infants (JULY) 14–20
- life lessons (SEPT) 70–76
- for peaceful problem solving (NOV) 22–28
- promoting inclusion/culture (JAN) 34–40
- In enriched learning environments*
 - building on children's interests (MAR) 36–41
 - creating peace places (NOV) 22–28
 - introducing complex music (MAR) 62–67
 - language arts in France (JULY) 94–100
 - men in early childhood (SEPT) 34–36
 - of mixed-age groups (JULY) 40–44
 - play-based (NOV) 34–35
 - Sure Start in Iceland (JAN) 96–100
 - theme-based, for rich vocabularies (SEPT) 90–95
- Making learning meaningful*
 - card game teaches thinking (JULY) 82–88; errata (SEPT) 89
 - children's oral storytelling (SEPT) 78–89
 - by documenting process (MAR) 28–34
 - healthy self-esteem (NOV) 58–60
 - life lessons, in story acting (SEPT) 70–76
 - nutrition and snacks (MAY) 20–24
 - PowerPoint use (MAR) 24–28
 - preschoolers and new foods (MAY) 37–38
 - reading comprehension (MAR) 68–74
 - through reflection (JULY) 101–04
 - responsive approach, infant care (JULY) 14–20
- Meeting children's interests and needs*
 - countering toddler biting (MAR) 17–23
 - in culturally diverse classrooms (SEPT) 77
 - inclusion, military base program (JAN) 96–100
 - social-emotional, prevention (NOV) 36–42
 - teacher-child relationship, as key (NOV) 44–49
 - temperament and self-regulation (JULY) 34–39
- Time, grouping, and routines*
 - engagement strategies (MAR) 12–16

- family involvement in care (JAN) 29–33
 floor time, rethinking play (MAY) 86–90
 for healthy emotional regulation (JULY) 34–39
 making new foods fun (MAY) 37–38
 multiage groups, social behavior (MAY) 70–76
 promoting rich vocabularies (SEPT) 90–95
 reading together (JULY) 45
 for social skills learning (NOV) 36–42
- To build skills and knowledge*
 of at-risk learners (SEPT) 90–95
 for children's futures (NOV) 6
 conflict resolution (MAR) 88–89; (NOV) 22–28
 for healthful eating habits (MAY) 37–38
 math topics in kindergarten (SEPT) 38–41
 music and academics (MAR) 62–67
 for physical fitness (MAY) 12–19
 in reading other's feelings (NOV) 22–28
 social emotional (NOV) 36–42
 storytelling/puppets/plays (SEPT) 78–89
 vocabulary development (NOV) 70–78
- To deepen children's understanding*
 construction of meaning (MAR) 68–74
 emotions (NOV) 53
 fitness, healthful eating (MAY) 26–30
 social justice (MAR) 75–82
- 4. Assessment of Child Progress**
- Adapting curriculum*
 to culture/learning standards (SEPT) 42–48
 to encourage curiosity (NOV) 58–60
- Appropriate methods*
 reading comprehension (MAR) 68–74
 for school readiness (SEPT) 78–89
 student-led conferences (MAR) 24–28
 teacher-student reflection (JULY) 101–04
 videotaping math play (JULY) 82–88; errata (SEPT) 89
- Creating a plan*
 in NAEYC's accreditation system (MAY) 60–62
- Describing progress*
 documenting child empathy (JULY) 22–29
- of infant learning, holistic (JULY) 14–20
- Families in the process*
 movement and the brain (JULY) 39
 second-language learning (SEPT) 18–25
- Identifying children's interests/needs*
 behaviors, boys' misinterpreted (NOV) 79–86
- Individualizing teaching*
 for child with spina bifida (MAY) 78–84
- Informing program development*
 standards, alignment and linking ages (SEPT) 26–32;
 relevance (SEPT) 42–48
- 5. Health**
- Healthful environments*
 for effective teaching (NOV) 44–49
 to help children self-regulate (JULY) 34–39
 for obesity prevention (MAY) 26–30
 for physical activity (MAY) 12–19
 resources, nutrition/fitness (MAY) 54–58, glossary 53
 for responsive/supportive care (JULY) 12–13
 strategies that work (MAY) 32–38
 where children feel safe (NOV) 22–28
- 6. Teachers**
- Interaction with children*
 African American boys (NOV) 79–86
 cultural/religious sensitivities (SEPT) 77
 easing separation (NOV) 14–20
 engagement strategies (MAR) 12–16
 in floor time (MAY) 86–90
 promoting social skills (NOV) 36–42
 responsive approach (JULY) 14–20
 supportiveness (NOV) 44–49
 to build on their interests (MAR) 36–41
 using reflection (JULY) 101–04
- Preparation, knowledge, and skills*
 associate degrees (SEPT) 58–59
 for career change (SEPT) 9
 in early care/education (SEPT) 10–16
 for infant/toddler specialists (JULY) 46–52
 for partnerships with families (JAN) 28
- positive influence in learning (NOV) 58–60
- professional reading (*see* New Books)
- role of associations (NOV) 66
- for social/emotional competency (NOV) 30–32
- standards for professionalism (SEPT) 42–48
- student teachers and families (JAN) 22–27
- a teacher-partnering model (MAR) 42–43
- Professional commitment*
 emerging practice criteria (JULY) 78–81
 to English-language learner parents (SEPT) 18–25
 ethics (SEPT) 10–16
 to family connections (JAN) 22–27
 family systems theory in practice (JAN) 12–20
 to fighting child obesity (MAY) 40–48
 public awareness of (JULY) 75–76
 to research in practice (MAY) 70–76
 to teacher-child relationships (NOV) 44–49
 unifying principles of practice (JULY) 46–52
- Resources on*
 families (SEPT) 55
 infant-toddlers (JULY) 54–56
 practices (MAR) 11, 44–45
 social skills (NOV) 50–53
- 7. Families**
- As advocates for children*
 quality care for infants (JULY) 20
 roles in literacy learning (JAN) 42–48
 stability (JAN) 12–20
- In collaborative relationships*
 building self-esteem (JAN) 56–60
 with care providers (JULY) 40–44
 on child obesity (MAY) 40–48
 as community (JAN) 40
 easing separation (NOV) 14–20
 for infant/toddler care (JAN) 29–33
 for nutrition/exercise (MAY) 26–30
- Learning/sharing information*
 via children's photography (JAN) 101–04
 on cultural identity (MAR) 75–82;
 sensitivity (JAN) 34–40
 fathers, social skills (JULY) 32
 on infants and toddlers (JULY) 54–56
 for kindergarten preparation (JAN) 50–51
- literacy practices at home (SEPT) 18–25
- PowerPoint conferences by children (MAR) 24–28
- storybook involvement (NOV) 94–97
- virtual pre-K (JAN) 52–53
- Support of and understanding*
 African American parents (JAN) 48
 American educator in France (JULY) 94–100
 critical to children's success (JAN) 10–11
 immigrant parents (SEPT) 18–25
 parents as teachers (JAN) 54–55
 program accreditation, quality (MAR) 56–58
 resources for (JAN) 61–63
 theory application in practice (JAN) 12–20
- 8. Communities**
- Accessing resources*
 university lab schools (JULY) 89–93
- Links to*
 in developing care systems (JULY) 30–32
 educational mission (JULY) 10
 globally, NAEYC leaders (JAN) 6
 and infant/toddler specialists (JULY) 46–52
 pre-K to K transitions study (SEPT) 26–32
- 9. Physical Environments**
- Design, building, and maintenance*
 emergency preparations (NOV) 88–93
- Equipment, materials, and furnishings*
 for boys' needs (MAY) 92–93
 for children with hearing loss (JAN) 86–95
 classroom snack center (MAY) 20–24
 for emergent curriculum (MAR) 28–34
 for kindergarten math (SEPT) 38–41
 for peace places (NOV) 22–28
- Health and safety*
 for children with spina bifida (MAY) 78–84
 physical fitness (MAY) 12–19
 toddlers' physical play (MAY) 32–34
- Indoors and outdoors*
 pre-K physical action (MAY) 34–36

10. Leadership/Management

Effective leadership

- associate degree programs (SEPT) 58–59
- embracing change (SEPT) 4
- federal education (MAR) 61
- lab schools and innovation (JULY) 89–93
- men in early childhood (SEPT) 34–36
- national/international (JAN) 6
- pre-K bridge to primary (MAR) 6; (JULY) 10
- for professionalism (SEPT) 0–16
- program disaster recovery (NOV) 88–93

- public attention to early years (JULY) 6
- recognition for quality (MAR) 56–58
- as stewards of education (MAY) 6

Fiscal accountability

- advocacy, policy forum (JULY) 72–73
- licensing visits as opportunity (MAR) 84–87
- quality rating, state QRSS (JULY) 30–32

Health, nutrition, and safety

- program action, obesity (MAY) 40–48

Improvement practices

- infant/toddler specialists (JULY) 46–52
- licensing visits (MAR) 84–87
- men as teachers (MAY) 92–93
- in reading comprehension (MAR) 68–74
- resources for innovation (MAR) 10, 44–45
- in “reusables” play (MAR) 44
- social-emotional competence (NOV) 30–32
- standards/curricula alignment (SEPT) 26–32
- systemic approach (NOV) 62–63
- teacher observations (MAY) 70–76; partnering (MAR) 42–43
- updating DAP (SEPT) 63

Policies and procedures

- accreditation, NAEYC (SEPT) 66–67; associate degree (MAR) 53
- centers’ disaster recovery (NOV) 88–93
- inclusion (JAN) 86–95
- Program evaluation/accountability*
 - emotion-focused goals (NOV) 32
 - NANE to NAEYC (MAR) 48
 - quality rating (NOV) 62–63
 - standards, and curricula (SEPT) 26–32; equity (SEPT) 42–48
- Staffing/stability*
 - disaster preparedness (NOV) 88–93
 - teachers’ role in quality (JULY) 75–76
