## Web sites, organizations, and Listservs

**Illinois Early Learning Project** offers information on the project approach, including tip sheets, project examples, and links to various resources. <http://illinoisearlylearning.org/project-approach.htm>

**The Innovative Teacher Project** offers professional development opportunities for educators who want to develop a deeper understanding of the Reggio Emilia approach. Find out about roundtables, seminars, workshops, network schools, and the history of Reggio Emilia. [www.innovativeteacherproject.org](http://www.innovativeteacherproject.org)

**Mother Goose Programs** offers ideas, reading lists, and book programs to inspire teachers and families to integrate reading with explorations of math, science, and other topics. [www.mothersgooseprograms.org](http://www.mothersgooseprograms.org)

**Project Approach** refers to teaching strategies in which teachers guide children through in-depth studies of real-world topics. This Web site, under the direction of Sylvia C. Chard, professor emeritus of early childhood education at the University of Alberta, Canada, contains information, project examples, resources, a certificate course, links, and a blog. [www.projectapproach.org](http://www.projectapproach.org)
