Resources for Supporting All Kinds of Learners (cont'd)

Online resources

Autism Society of America (ASA)—This Web site offers links to resources and support networks for those who work with or have children with autism. www.autism-society.org

Bilingual Research Journal—Published three times a year, this journal offers full articles from past issues online. The site also links to several bilingual and policy resources. <http://brj.asu.edu>

Center for Applied Linguistics (CAL)—This organization conducts research on topics including English language learners and offers free resources on dual language learners, literacy education, and assessment. www.cal.org/index.html

Center on the Social and Emotional Foundations for Early Learning—CSEFL works to promote the social-emotional development and school readiness of children birth through age 5. It offers resources for different age groups and for families and educators.

www.vanderbilt.edu/csefel

Division for Early Childhood (DEC)—The Division for Early Childhood is one of 17 divisions of the Council for Exceptional Children. It is focused on improving education for children with disabilities, gifted children, and children with exceptionalities. The site offers resources for educators and parents, and publishes two journals focused on children with special needs. www.dec-sped.org/index.aspx

Lee y serás—An early literacy development initiative developed by Scholastic, National Council of La Raza, and the Verizon Foundation, Lee y serás engages parents and communities to help reading achievement among Latino youth. The site is available in Spanish as well as English, and the graphics engage children of all ages and learning levels. www.leeyseras.net/site/main.html

LDOnline—Touted as the world's leading Web site for learning disabilities and ADHD, LDOnline continually updates its sources and references to give parents and educators the most recent information on learning disabilities. www.ldonline.org

Los Niños en Su Casa—The Spanish-language counterpart to A Place of Our Own (www.aplaceofourown.org), this Web site has activities, resources, guides, discussion boards, and professional development resources. www.losninosensucasa.org

National Association for Bilingual Education (NABE)—With more than 20,000 members and affiliates in 25 states, this is the largest organization focused on bilingual learners and bilingual education professionals. NABE publishes a news magazine and a research journal. www.nabe.org

National Council of La Raza—The largest national Hispanic civil rights and advocacy organization in the United States, this organization includes direct services to community-based organizations as well as advocacy for improved policy. www.nclr.org

National Dissemination Center for Children with Disabilities—With a multitude of resources for families, caregivers, communities, and educators, this center offers a Web site that stays updated with recent research and blog posts. www.nichcy.org/Pages/Home.aspx

National Early Childhood Technical Assistance Center—NECTAC works to ensure that young children with disabilities and their families receive the right assistance and information. The organization offers weekly eNotes on relevant news items and an extensive resource contact list. www.nectac.org

ZERO TO THREE—This national organization has a section for parents with information to help them make wise parenting choices for infants and toddlers, and a section for early childhood professionals, offering research-based resources. www.zerotothree.org
