Executive Summary 3

ONE

What Happened to

Playful Learning in Preschool? 5

How did we get here? 6

*Sacrificing good pedagogy for curricular goals:
The false dichotomy between play and
learning* 9

*Beyond the classroom: Preschool pressure
at home* 11

Turning back the tide 14

TWO

The Evidence for

Playful Learning in Preschool 17

Two extreme views of children's development 18

*Why consider a whole-child approach with
playful preschool pedagogy?* 20

<i>A working definition of play and play-based learning</i>	23
<i>What is “playful learning” or “guided play”?</i>	27
<i>The evidence:</i>	
<i>Part 1—Playful learning promotes academic gain</i>	29
<i>Part 2—Play advances social development</i>	38
<i>Intervention studies: Training children to play</i>	40
<i>Direct instruction compared with active, developmentally appropriate learning</i>	43
<i>Playful learning: Combining the best of teacher-guided and developmentally appropriate pedagogy</i>	51
<i>A call for developmentally appropriate preschool pedagogy</i>	52
