

CHILD CARE & EARLY LEARNING HELP OUR STATE THRIVE

DISTRICT OF COLUMBIA

Access to high quality early childhood education (ECE) boosts the well-being of children and helps parents get and keep a job. It's time for policymakers to build the supply and quality of child care and early learning by investing in early childhood education and educators working in centers, schools, and homes.

“We have benefited from DC Pay Equity and Healthcare4Childcare, which has increased salaries and provided free health insurance. However, my program suffers from under-qualified staff and difficulties in hiring. An influx of workers with little experience and little education in child development has hurt our quality.”
