Countdown to a Healthy Start
Community Family Events
Planning Teams

Big Idea:

Catchy Title:

Team Members: Early Childhood Nursing

Main Learning Goal (What do you want families to know and be able to do?)

Takeaway Information
What is it?

What will participants learn from it?

Where will you find it?

Interactive Activity
What will participants do?

How long will it take?

List the procedures/directions:

List the materials you will be using:

On the other side, sketch the set-up of your station. Each station will have one 8’ table.
Note any special instructions for your station.
